

Dear Parents,

My name is Ursula Jurende, I am the social worker at Dillingen elementary school. It is very important to me that your child is able to develop as best as possible and feel at home here at school.

I offer consultation, guidance and support for both your child and you:

- if you are looking for additional support with problems and challenges in your life.
- for questions concerning the development and education of your child.
- in case of difficulties at school or in planning for the future education of your child.
- in stressful family situations such as separation, illness, etc.

All calls are treated with confidentiality; the offer is free of charge.

You are welcome to contact me:
